

August was a month of creativity and talent, with students actively showcasing their skills through a variety of activities. Students also participated enthusiastically in important CBSE initiatives, extending learning beyond the classroom.

EXTENDING THEIR LEARNING BEYOND CLASSROOM

Little Artists at Work (Nursery-UKG)

Our youngest learners explored the world of colors and shapes. Their vibrant paintings reflected innocence, joy, and a keen sense of observation.

Solo Singing Talent Show

The melodious voices of our budding singers filled the atmosphere with energy. From patriotic tunes to classical notes, students displayed confidence and rhythm that impressed both the judges and audience.

Battle of Words-Spell Bee

It was a battle of words that tested not just spelling, but also focus and memory. The competition encouraged students to enrich their vocabulary while boosting their confidence.

Pride of the Tricolour Movement

In line with the national initiative, our students actively participated by hoisting the Tricolour at their homes. Special assemblies were conducted to raise awareness about the significance of the national flag and the spirit of unity it represents.

Fruit & Vegetable Carving, Rangoli & Cooking Without Fire

Creativity came alive as students turned simple ingredients into works of art, crafted delicious no-fire recipes, and designed colorful rangolis that symbolized tradition and festivity.

Syama Prasad Mookerjee Memorial Quiz

In memory of the visionary leader, students participated in this special Online Quiz enthusiastically, showcasing their knowledge of history, politics, and culture.

NELTAS Assessment Round

This month, students appeared for the Competency Analytical Tests in English, Mathematics, and Science. These assessments evaluated their abilities beyond textbooks, emphasizing critical thinking, reasoning, and practical application of knowledge.

Independence Day Celebration

The 79th Independence Day was celebrated with great patriotic fervour. The day began with the unfurling of the national flag, followed by cultural performances, patriotic songs, and speeches by students. The celebration instilled in everyone a deep sense of pride and respect for our freedom fighters.

Rakshabandhan Celebration

Our kindergarteners joyfully celebrated Rakshabandhan by tying colourful Rakhi's, and learning about the bond of love and care between brothers and sisters. The celebration helped them understand Indian traditions in a fun and engaging way.

National Space Day

As a part of a national initiative, students explored India's space achievements through activities and an inspiring session with Dr. V. Parthasarathi Naidu, Chief Scientist, CSIR-NAL, which motivated them to pursue excellence in science and technology.

AUGUST HIGHLIGHTS

This month has been a blend of patriotism, creativity, and knowledge. With each event, our students are growing into confident individuals ready to take on future challenges. We step into September with fresh enthusiasm, aiming for excellence in both academics and co-curricular pursuits.

UPCOMING EVENTS

Looking ahead, we are excited about the upcoming events that promise learning and growth:

- **Putani Vignana Science Talent Examination:** A competitive platform to spark curiosity, scientific thinking, and innovation among young learners.
- **Quiz Competition (Classes VIII - X):** A platform to showcase knowledge, critical thinking, and quick responses.
- **Teachers' Day Celebration:** A special occasion to honour and appreciate the invaluable contributions of our teachers through cultural programs and student-led tributes.
- **Swachh Evam Harit Vidyalaya Rating:** As part of the national initiative, the school will participate in this program to evaluate and promote cleanliness, greenery, and sustainability within the campus.
- **Midterm Examinations (Classes I - X):** The first academic milestone of the year, where students will be assessed on their progress so far. We encourage all learners to prepare diligently and do their best.
- **Parent-Teacher Meeting (Classes I - X):** An important opportunity to share feedback and strengthen the bond between home and school, ensuring the holistic development of every child.
- **School Trip:** Our students will be going on an educational trip to Enchanting Acres, Kanakapura Road. The trip will offer a chance to learn beyond the classroom and bond with peers and teachers.

Felicitation Ceremony

A Felicitation Ceremony was organised to honour the achievements of Class X board toppers, students who demonstrated remarkable academic improvement, and Class IX toppers. The initiative, led by our Commandant, recognized their hard work and dedication.

CBSE Workshop for Teachers

A special workshop was conducted for teachers focusing on mental health awareness and wellness practices.
